

# Fun for All!

Open seven days a week, Lambs Farm is ideal for family or company outings. The Farmyard presents a collection of domestic animals such as ponies, donkeys, chickens and pigs for your viewing enjoyment. Included inside the Farmyard is the Discovery Center where learning about farm life and farm animals is fun! Of course, the petting area is a popular place for children and adults to meet our goats, kids, sheep and lambs.

Complete your day of fun by sampling our other attractions. Tee off on the 18-hole Miniature Golf course or enjoy our cow Bounce House and old world carousel. Adults and children alike will enjoy our Miniature Train ride along Lambs Lake.

# Group Visits

Groups of all ages and sizes are invited to visit Lambs Farm. School groups, church groups, day care centers, scout troops, summer camps and adult care facilities can schedule visits in advance and receive special rates and packages.
